

**Fast Track Skills Seminar
PEP! Presentation Seminar**
“prepare – excite - perform”

Do you remember a presentation where you

- started doodling on your handout?
- started dreaming of your next holiday?
- Eyes and head rolled back?
- kept checking the clock, or
- wondered Why you were there?

Or, nightmare of nightmares, you’ve noticed the above happening in your own presentations? OUCH!

Delivering successful presentations means having your audience at the edge of their seats, hanging on to your words – from the beginning right through to the end!

This is a **PEP! Presentation**. Performing with presence!

Who’s this for?

PEP! PS seminar is especially recommended for all professionals who have to present regularly. It is also really cool for all of us. We “present” at work and at home, everyday.

What do you get?

PEP! Session 1: Be a POW!erful presenter and give yourself a hand! Go through the 4 stages of design

PEP! Session 2: Speak to the Perfectionist, Impulsive, Conservative and Emotional, they’re all present and then put your best voice forward!
